

**PILYPARRA** Pty Ltd

# CAPABILITY STATEMENT

# PILYPARRA Pty Ltd

## ABOUT

*Pilyparra Pty Ltd has extensive networks and relationships within Pilbara communities and with Traditional Owner groups.  
We have connections with the Kariyarra, Ngalmu, Banjima, and Nyiyaparli communities.*

*We offer flexible labour hire solutions and employ a core local crew, supplemented by a pool of casual and/or FIFO staff when required.*

*Our goal is to offer long-term employment as we secure more contracts.*

*We are committed to providing opportunities for people to develop and grow with us through training, mentoring, and employment opportunities.*

*Our offices are located in South Hedland and Tom Price.*

## SAFETY

*Pilyparra recognises that the health and safety of all workers are vital. We strive to continuously maintain and improve the work environment to ensure that it is safe for everyone and free from risk.*

*We adhere to safe work practices, as well as company-specific and site-specific safety obligations.*

# PROJECT WORK

*Pilyparra has worked alongside Ventia and Main Roads to supply labour for road maintenance works in the Pilbara network, including traffic management, administration, environmental waste management, and ad hoc minor works.*

*Through this partnership, we have assisted in maintaining the Nanutarra Landing strip, Road Train Assembly Areas in Newman, the Great Northern Highway (GNH), and the North West Coastal Highway (NWCH).*

*We also supplied labour for shoulder works on Bingarn Road in Tom Price and Pannawonica, as well as for traffic management for road maintenance works in and around Karratha, Marble Bar, Port Hedland, and Nullagine. This included call-outs for road closures, rollovers, and incidents involving fires and flooding.*

*We have diversified our services to reflect our expanding capabilities in response to requests from our clients.*

*We are flexible and happy to discuss how we can meet your needs.*

# SERVICES

*At Pilyparra, we focus on creating a safe and efficient working environment through our services. Our commitment extends to offering flexible labour hire solutions tailored for both short-term projects and ongoing support.*

*By providing skilled personnel, we ensure that your operational needs are met with precision and reliability, contributing to a seamless and productive workplace.*

# MECHANICAL

*Pilyparra provides mechanical services for both light and heavy vehicles. Our pool offers expert maintenance and repair solutions, from routine tasks such as oil changes and tyre rotations for light vehicles, to complex diagnostics and overhauls for heavy-duty machinery.*

*We handle everything from minor tune-ups to major repairs on engines, brakes, and transmissions, ensuring your vehicles operate smoothly and efficiently.*

*Whether you require scheduled maintenance or urgent repairs, our experienced mechanics are equipped to meet all your vehicle service needs with precision and care.*

*Your ute's reliability and safety with our maintenance services, keeps your vehicle ready for any job.*

*Our strong work ethic drives us to deliver great results, and always exceed expectations.*

*Our adaptability ensures we can respond swiftly to any changes as required.*

# CIVIL

*At Pilyparra, we can supply labour for your road maintenance and project needs within the Pilbara. This includes traffic management, mobile plant operators, and environmental waste management.*

*Pilyparra Pty Ltd provides the following services*

*Traffic signal operation and maintenance.  
Roadway signage installation and upkeep.  
Monitoring and managing traffic flow.  
Incident and accident response.  
Managing construction zones.  
Updating and managing traffic control plans.  
Clearing road obstructions and debris.*

*We help manage traffic safely and efficiently on projects, roadworks, and work sites.*

*We focus on maintaining roads to ensure transportation is safe and efficient.*

*We prioritise safety by adhering to strict safety standards and effective measures throughout all project phases.*

# CLEANING

*We clean to ensure your working environment remains safe by reducing hazards in the workplace. At Pilyparra, we value our cleaning staff, who are trained in smart cleaning methods. We listen to your needs, carry out tasks safely, and respond to any requested changes accordingly.*

*Whether you require additional manpower for short-term projects or ongoing support, we will provide labour hire solutions tailored to meet your business requirements.*

## CONTRACT CLEANING

*We offer cleaning services for commercial businesses and provide solutions tailored to meet specific needs for your workspaces.*

## SHUTDOWN CLEANING

*We offer short-term shutdown cleaning services. We will collaborate with you to develop plans and conduct thorough cleaning of site-specific areas, including crib rooms, offices, ablutions, and amenity blocks as required.*

*We promise top-notch cleaning services, which include experienced and friendly team members.*

*We build strong, positive relationships with our clients, enabling Pilyparra to adapt quickly to any changes as needed.*

*We operate with honesty and in a timely manner to minimise disruptions to your daily business operations.*
